Dear Santa,

My name is Candy Mo and I am 8 years old. This year I have been

very nice mostly nice ~~a little bit naughty but i can explain~~

~~.....~~ This year for Christmas I would really like to
My English studies is getting great improvement and I am
able to write a letter to you in English this year.

This year for Christmas I would really like to visit you
and I hope to get two gifts. One gift for my baby brother
and another gift for me. Because I like drawing, I want to have
sketch pencils set with sketchbook. I can draw a Christmas
card for you next year. I think my baby brother likes a blue
toy car as a gift this year. He would be very happy.

If I can see you this year I hope to ride on your sleigh with
you. Then I can help you to give a lot of gifts to many children
with your eight reindeer.

Wish you a Merry Christmas!

I can't wait for you to visit! Just 2 more days.

Signed your biggest fan, Candy Mo
