

# "Letter to Santa Claus"

Dear Santa,

My name is Yuffie and I am 7 years old. This year I have been

very nice  mostly nice  a little bit naughty but i can explain

..... This year for Christmas I would really like to have a Christmas party at school. However, I can't have it with my friends at school because of the latest epidemic development of Coronavirus. We can't go out now. Luckily, I can still play with family members. I will be very happy. I am sure that I will have so much fun in the Christmas party! We will have a lot of games. I will get a present in a lottery game. This year, I wish I will get a present 'Games Bounce Party'. That game is really fun. It is a game for four people. They take turns to take a card and you need to follow the instructions to form a shape. At dinner time, I will eat turkey, pizza and tonggwan with my mummy, daddy, and relatives. What do <sup>you</sup> want to eat on Christmas day? Do <sup>brother</sup> you like eating tarts? I think you do. I like eating tarts. They are delicious. I hope you have a big feast, Merry Christmas!

I can't wait for you to visit! Just 3 more days.

Signed your biggest fan, Yuffie
