

# "Letter to Santa Claus"

Dear Santa,

My name is Abbie and I am 6 years old. This year I have been  
 very nice  mostly nice  a little bit naughty but I can explain

this year. This year for Christmas I would really like Mario  
Monopoly board game, chocolates and sweets.

It is what I want more than anything else. Of course, I do have a few more things on my list.

I also want..

a magical balloon. It  
won't leak. It won't  
burst. It is fancy.

Gifts I would wear are..

a dress. It is green.  
There is a star on the  
collar. It is pretty.

The things I need are..

Jesus' love, peace  
and joy. I want  
share with you.

And I would like to read..

Mario Kart's book.  
I love it so much.

I can't wait for you to visit! Just one more days.

Signed your biggest fan, Abbie Chong.
